

Dr. Stephanie Howard has been licensed as a psychologist since 2016. She specializes in pretrial forensic mental health evaluations of adult criminal defendants. Dr. Howard works as a forensic evaluator at the Mississippi State Hospital primarily conducting competence to proceed legally and criminal responsibility evaluations for the courts. She also is a DMH-certified forensic evaluator. Dr. Howard is working to grow her private practice, Shivelight Psychological Services, specializing in forensic mental health evaluations and competence restoration services.
