

Biography

Blake Stutzman earned his BS in toxicology from Northeast Louisiana University. Blake has been in the forensics field for 25 years. He has over 19 years of working both public and private labs where he gained the knowledge and foundations of his career working in the narcotics and toxicology division. During this time, he also served as a qualified expert witness and presented scientific data and results to judges and jurors. In addition, he has also presented facts in depositions for civil cases. He has also acted as a guest speaker at DRE training for law enforcement officers as a Forensic Specialist, and an adjunct professor teaching a toxicology course at Our Lady of the Lake Hospital in Baton Rouge for their forensic science program.

Company

Godoy Medical Forensics

Godoy Medical Forensics is a medico-legal consulting firm that specializes in criminal law. We have assisted the prosecution and the defense on over 1000 cases and offer assistance in civil cases as well. We have experts in Strangulation, Blunt Force Trauma, Child Abuse, and Traumatic Brain Injury. While our offices are located out of Northern California, we have nurses on both sides of the country ready to testify in your case. Our doctors are specialists in Forensic Psychiatry, Emergency Medicine, Orthopedics, and Radiology. We are accepting new cases and work with both private attorneys and government organizations.
