

## ACTIVITIES AND EXPENDITURES REPORT July 1 – September 30, 2022

The following report of activities and expenditures of the State Public Defender is submitted in accordance with Miss. Code §§ 99-18-1 and 99-18-15. Agency expenditures can be found at [www.transparency.ms.gov](http://www.transparency.ms.gov). A docket of potential death penalty eligible cases in the circuit courts and rosters of all death penalty cases in the state are available on our webpage at <http://www.ospd.ms.gov/CapDefInfo.htm>.

### **STATE DEFENDER**

In July, the Office of the State Public Defender (“OSPD”) submitted a revised 5-Year Strategic Plan and FY 2024 Budget Request. OSPD working with local defender leaders has developed a new proposal for state support for indigent defense. The recommendation modifies the Public Defender Taskforce recommendation by eliminating the proposed commission and state funded district defender positions.

Phase 1 of the new proposal would create a state grant program to be administered by OSPD. The proposal is to help create three pilot projects, one in each Supreme Court District. The southern and northern districts would be multi-county systems to help rural county deliver services in most efficient way. The central district project would be tailored to the unique needs of the city of Jackson. The goal of the proposal is to remedy four of the most serious deficiencies identified by the taskforce studies: lack of early entry in cases, lack of pay parity between defenders and prosecutors, lack of support services such as social workers and excessive caseloads.

The State Defender serves on the Corrections and Criminal Justice Oversight Taskforce and the Supreme Court’s Children’s Justice Commission.

### **Special Defender Unit for 7<sup>th</sup> Circuit Court District based in Jackson**

The 2022 Legislature appropriated \$744,532 to the Office of State Public Defender (OSPD) from the Coronavirus State Fiscal Recovery Fund. (HB 1627) The purpose of the appropriation was to create and operate a public defender office to augment criminal defense services to indigent defendants in the 7<sup>th</sup> Circuit Court District. OSPD has designated this office the OSPD Special Defender Unit. The unit will work under the State Defender in collaboration with the Hinds County Public Defender Office (HCPDO) to help reduce any case backlog associated with the Covid-19 pandemic.

Staffing and service delivery are modeled on the Division of Capital Defense Counsel at OSPD. OSPD has assembled a team of attorneys, social workers, investigators, and

administrative support (legal secretary). The attorneys began work August 1, 2022, and the legal secretary began work on September 1, 2022. OSPD will contract with private investigators as needed for fact investigation and with social workers for client's social service needs and case development.

The office is based at 660 North Street, Suite 300B in downtown Jackson. Because of the time-limited nature of the project and need for experienced defense attorneys we have been flexible on the employment status of staff. There are four attorneys, each part-time (75% time), a legal secretary fulltime, social work and investigation services provided on a contract basis.

Initial case assignments to Unit attorneys were 86 clients, all indicted, 51 in-jail, 36 with homicide charges. Following review of jail data, a significant backlog was identified in the in-jail/not-indicted population. Unit attorneys have been assigned 89 clients in this status.

### **CAPITAL DEFENSE**

At current staffing Capital Defense can handle up to 10 new trial level cases per year and 2 new appellate cases per year. This assumes local counsel will be appointed at the trial level.

Currently the division is representing 9 clients at the trial level and two clients at the direct appeal stage. These are all the direct appeal cases pending. The division filed the Brief of Appellant in one case on September 28, 2022. A Petition for Certiorari in the second case is being prepared.

### **INDIGENT APPEALS**

Since July 1, 2022, Indigent Appeals ("IAD") filed 21 briefs. IAD currently has 152 open cases including 34 awaiting the filing of the record and briefing schedule. Three cases have been assigned to a *pro bono* lawyer from the firm of Forman, Watkins and Kritz LLP. The firm previously worked with OSPD providing *pro bono* representation in *Miller* cases and is now in its second year of partnering on appeals.

Staff attorney Hunter Aikens serves as co-counsel in a death penalty appeal handled by the Capital Division. This assignment took him out of the regular case assignment rotation for about nine months. There are seven additional cases with independent outside counsel hired on contract due to conflicts.

IAD caseload has returned to pre-pandemic levels. The number of briefing schedules issued and number awaiting briefing schedule are at their highest since Q3 of SFY 2018. The number of pending cases is equal to the Q4 2020 level. The briefs in progress are highest since Q3 2019.

The staff attorneys of IAD routinely answer questions and conduct research for trial level defenders in the field. IAD also assists with moot courts for defenders inside and outside the office preparing for oral arguments and handling oral arguments. IAD attorneys also serve on the Supreme Court committees and Mississippi Bar committees.

The Youth Defender Certification Training was held September 22-23, 2022, at the Golden Nugget Hotel and Casino in Biloxi, Mississippi. We offered 7 CLE hours (including 1 ethics hour). In addition to these trainings, Training Director Erin Briggs, became a member of the inaugural NLADA Racial Equity Institute – Diversity Equity and Inclusion Fellowship. This six-month training institute is aimed at introducing and equipping fellows with the core competencies on racial equity required to launch and implement DEI initiatives within our organizations and beyond. The fellowship is virtual with monthly meetings that will conclude in February 2023.

## **PARENT DEFENSE**

The Parent Defense Program has worked closely with Casey Family Programs and Be Better Now Mentoring to pilot a Parent Partner Program which will provide clients with a Parent Partner, a person with lived experience in the child welfare process trained to assist parent/clients. OSPD is piloting this program on the Gulf Coast and in Lee County.

OSPD has hired an Interdisciplinary Team Coordinator to oversee and provide support for our Interdisciplinary Team Project including parent partners and social workers. The coordinator is currently working as a part-time contractor funded with grant money.

Parent Defense is providing training and technical assistance to parent defenders across the state and managing joint state-local projects in the First Chancery District (seven counties with six part-time attorneys), Lee County (interdisciplinary team of two part-time attorneys, a part-time and fulltime social worker and a parent partner), a part-time defender in Hinds, two attorneys at the Center for Legal Services (Gulfport office serving the Coast and Hattiesburg office serving the Pine Belt), fulltime defenders in Hancock and DeSoto, and a part-time defender in Adams. Parent Defense has also filed appellate briefs in four cases and is awaiting record preparation on a fifth.
